

**CANADIAN PSYCHOANALYTIC SOCIETY
SOCIÉTÉ CANADIENNE DE PSYCHANALYSE**

43RD ANNUAL CONGRESS

MONTREAL, MAY 30TH – JUNE 3RD, 2018

**Symbol Formation and Transformation in Theory
and Practice**

Dr. Elias da Rocha Barros is a psychoanalyst, training analyst and renowned international speaker from Sao Paolo, Brazil. He is the recipient of the Sigmund Freud Award for significant contributions in the field of psychoanalysis, and is a pioneer in making the work of Melanie Klein and her followers known in South America. He has combined the influences of his training in the British Psychoanalytic Institute with his studies of both Kleinian and field theory popular in Italy and in Latin America.
