The Board of the Toronto Psychoanalytic Society shares with sorrow the news of the passing of George Boujoff, MD, FRCP(C). He died on his own terms with the love of his family and friends by his side.

He was a valued member of the Toronto Psychoanalytic Society. He will be greatly missed but not forgotten.

George Boujoff, MD, FRCP(C) was an active and engaged member of the Society attending many events until illness limited his participation in the last few years. He was also a Training Analyst and long time TPS&I member. He will be remembered for his encyclopedic mind, dedication to psychoanalysis, love of food and wonderful sense of humor.

A celebration of life will be held later this year.

On behalf of the Toronto Psychoanalytic Society (TPS), we extend our deepest condolences to George Boujoff, MD, FRCP(C) family, friends, and colleagues.

Sincerely,
The Toronto Psychoanalytic Society & Institute
